KARUMO TECHNICAL TRAINING INSTITUTE	
INFORMATION SECURITY MANAGEMENT SYSTEM – IS POLICY	
REFERENCE: KTTI/MR/ISP/001	ISSUE DATE: 24th November, 2023
APPROVED BY: Principal	ISSUED BY: Management Representative

Karumo Technical Training Institute (KTTI) provides Technical & Vocational Education & training programmes for self-reliance, community development and global competence.

KTTI is committed towards securing information by preserving its Confidentiality, Integrity and Availability in executing the day-to-day training and support processes. The security of information is fundamental for the successful operation of the Institute.

KTTI has adopted, aligned and committed to the requirements of Information Security Management System (ISMS); ISO/IEC 27001: 2013 comprising of the Information Security Policies, Procedures and Processes to effectively protect data/information and its customers from information security threats, whether internal or external. The institute shall also comply with other applicable requirements and continually improve on the effectiveness of the implemented ISMS. To this end, KTTI is committed to the attainment of the following information security objectives:

- 1) Securing the processing, dissemination and backup of information to ensure its availability to authorized users when and as required
- 2) Provide secure storage and transmission infrastructure to assure the preservation of confidentiality of information
- 3) Continually monitor access and modification control levels of information assets to assure their integrity
